EDUCATION

GHRCE NAGPUR

B.Tech in Computer Science & Engineering

May 2025 | Nagpur, Maharashtra

G. H. Raison College of

Engineering,

Nagpur, Maharashtra

CGPA: 8.95 / 10.0

OPJS RAIGARH

HSC 2021 | CG, India

SSC 2019 | CG, India

O. P. Jindal School, Raigarh,

Chhattisgarh

SKILLS

LANGUAGES

Typescript • JavaScript

SCSS • CSS • HTML

C++ • C • Python

SQL

FRAMEWORKS AND LIBRARIES

React JS • Node JS • Express JS

MongoDB • Next JS • Bootstrap

Tailwind • Matplotlib

NumPy • Pandas

CONCEPTS

Data Structure and Algorithm

Object Oriented Programming

Operating System

Computer Network

Database Management System

Version Control

TOOLS

VSCode • Android Studio • Figma

Vercel • Netlify • Render

Git • GitHub • Cloud Platform •

ChatGPT

INTERESTS

Open Source

Frontends, Backends & Databases

Technical Community

Android Development

Web Development & UI/UX

Cloud Computing

PROJECT

NEWS-APP

- News app built with **React JS** fetch news from the **API**.
- Concept and Features used are Light and **Dark Mode**, **react router** for routing, **Gh-pages** for GitHub deployment, Api manipulation for Search and Specific related news, **Rest API** etc

MERN-APP

- A Full Stack MERN app built with **React JS**, **Node JS**, **Express JS**, **MongoDB**.
- Concepts & Features: **Bootstrap CSS** is used for frontend styling consist of Navigation bar, Registration and Login form, About and Contact us pages, used **react-router-dom**, **Postmen** for requesting server at starting phases.
- **Nodemon**, **JsonWebTokens**, **Bcrypt JS**, **.env**, **cookie-parser**, **mongoose**, **Cors-errors** etc

MINIMAL CALCY

- Mobile App project-based calculator made using **XML** and **Kotlin** in Android studio.
- Concepts & Features: perform every calculation and with great minimal design, web view, layouts, Activities, Text view and scroll view, explicit, implicit, splash screen etc.

COMMUNITY EXPERIENCE & SOFT SKILLS

- Spoken and hosted many technical events.
- Provided guidance and mentorship to junior.
- Collaborated with senior team members on a SaaS App project, contributing to the development of prototypes and solutions
- fast learning curve and high adaptability, quickly mastering new technologies and methodologies
- Strong analytical and problem-solving skills developed through coursework and personal projects, effectively identifying and resolving challenges.
- Served as a freelance tutor, imparting knowledge on programming languages.
- Excellent verbal and written communication skills demonstrated through team projects and presentations.
- Actively engaged in professional development by attending meetups, workshops, and conferences focused on software development, staying abreast of industry trends and best practices.
